## POLICY JUSTIFICATION

### Qatar - Mk-V Fast Patrol Boat

The Government of Qatar has requested:

#### Major Defense Equipment (MDE):

Eight (8) M2HB .50 Caliber Machine Guns

#### Non-MDE:

Also included are Mk-V Fast Patrol Boats, Forward Looking Infrared (FLIR) Systems, MLG 27mm Gun Systems, 27mm ammunition, 27mm target practice ammunition, .50 Caliber ammunition, support equipment, publications, technical documentation, personnel training, U.S. Government and contractor engineering, in-country support, technical and logistics support services.

The total estimated value of MDE is \$0.02 million. The total estimated value is \$124.02 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country. Qatar is an important force for political stability and economic progress in the Persian Gulf region. This proposed sale will provide Qatar with military capabilities to protect its critical sea-based infrastructure and maritime security. Qatar will have no difficulty absorbing this equipment into its armed forces.

The proposed sale of this equipment, services, and support will not alter the basic military balance in the region.

The principal contractor will be United States Marine Incorporated (USMI) in Gulfport, Mississippi. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will require multiple trips by U.S. Government and contractor representatives to participate in program and technical reviews, system integration, as well as training and maintenance support in country for a period of five (5) years.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

## Transmittal No. 16-29

Notice of Proposed Issuance of Letter of Offer  
Pursuant to Section 36(b)(1)  
of the Arms Export Control Act, as amended

## Annex Item No. vii

(vii) Sensitivity of Technology:

1. The Mk-V fast patrol boat is approximately twenty-eight meters (28) long with an approximate beam of six (6) meters powered by MTU diesel engines with a waterjet drive. It has a top speed of forty-five (45) knots. The MK-V is outfitted with a stern launch-able inflatable boat. The MK-V is outfitted with unclassified commercial off-the-shelf navigation to include magnetic compass, fluxgate compass, gyro compass, Global Positioning System (GPS), electronic chart plotter, anemometer, navigation radar, navigation lights, navigation horn siren, and other electrical and non-electronic navigation aids. The MK-V utilizes commercial communications to include high frequency (HF), and very high frequency (VHF) communication radio systems, intercom system, boat horn and blue strobe law enforcement lights. The overall classification level of the vessel is UNCLASSIFIED.

2. A determination has been made that the Government of Qatar can provide substantially the same degree of protection for the sensitive technology being released as the U.S. Government. This sale is necessary in furtherance of U.S. foreign policy and national security objectives outlined in the Policy Justification.

3. All defense articles and services listed in this transmittal have been authorized for release and export to the Government of Qatar.
